

**Permit for Docking a Boat
at
Buena Vida Pier**

I understand that a permit is required for the privilege of docking my boat at the Buena Vida pier.

I understand that in order to obtain a permit I must furnish proof of insurance and agree to the terms and conditions set forth below:

1. I accept responsibility for any and all damages to the pier which are caused by my boat regardless of circumstances and I will pay for all repair costs within 90 days of damages.
2. I accept total responsibility for any and all damages to my boat while docked at the Buena Vida pier and I will hold the BVTA harmless regardless of circumstances.
3. I agree to use the proper size lines with which to secure my boat and to use spring lines as well as bow and stern lines to assure my boat is secured safely and properly. Fenders will be used as required.
4. I will park my boat in the slip assigned to my unit only/unless a written request for deviation has been submitted to and approved by the BVTA Board of Directors.
5. I realize that protection from theft and vandalism is my responsibility and I agree to hold the BVTA harmless should these circumstances arise.

By affixing my signature hereto, I accept all the above conditions.
